Thousand Oaks Transit Continues Holiday Shopper Shuttle Tradition

Thousand Oaks, CA – Effective Saturday, December 6, 2008, Thousand Oaks Transit (TOT) will begin operating its “Holiday Shopper Shuttle” service. The seasonal service will provide access to shopping locations around Thousand Oaks, including The Oaks Shopping Center, Janss Marketplace, and the Westlake Promenade.

The service features extended hours Saturdays and Sundays between December 6 and 20 and operates from 9:00 a.m. to 6:00 p.m.

“Major retailers have extended business hours during the holiday season, translating to additional transportation demand from workers and shoppers alike,” commented Public Works Director, Mark Watkins. “By providing additional transportation we hope to alleviate some of the stress associated with traveling and parking during the holiday season and stimulate our City’s economy by keeping tax dollars local.”

Thousand Oaks Transit operates four fixed-routes routes five days a week throughout Thousand Oaks, Westlake Village, and Newbury Park. In addition, Dial-A-Ride service is available seven days a week for seniors and persons with disabilities. For route and schedule information, call (805) 375-5473, visit www.TOTransit.org, or email totransit@toaks.org.
