Transportation Forums Seek Opinions of Local Residents

RIO VISTA, CA – In an effort to improve local transportation options within Rio Vista and the surrounding communities, the Rio Vista Delta Breeze is seeking community participation in a series of transportation forums.

On Wednesday, August 15, 2007, Residents of Rio Vista, Antioch, Isleton, Fairfield, and Suisun City are encouraged to participate in one of two community meetings. The first meeting is scheduled to begin at 3:30pm; a separate evening meeting will begin at 6:30pm. Both meetings are being held at the Rio Vista Senior Center, located at 25 Main Street in Rio Vista. Each meeting will provide information regarding local transportation options, as well as serve as a platform for community members to voice their travel needs, ideas, and concerns.

Rio Vista Delta Breeze provides deviated fixed-route service within the City of Rio Vista and between Rio Vista, Isleton, Antioch, and Fairfield, with connections to Lodi. The Rio Vista Delta Breeze Taxi Scrip Program provides door-to-door service in conjunction with Delta Cab for Rio Vista seniors and persons with disabilities. For more information regarding these meetings or to obtain information about the Delta Breeze service, call (707) 374-2878.
