**Marin Transit to Unveil Its New Look**

San Rafael, Marin County, CA – After much anticipation, residents will finally get to experience the new look of transit in Marin County firsthand. The recent rebranding of the Marin Transit service has created a unified service identity, which aims to broaden the community's awareness and knowledge of the local transit system. Further, an ad campaign promoting the new look has generated enough public interest to spawn an official ribbon-cutting ceremony.

Marin Transit Board members and staff invite area residents and Marin Transit customers to join the celebration. The event will be held at the Marin Veterans' Memorial Parking Lot on Monday, July 30, 2007 at 11:00 am and will feature a ribbon-cutting, vehicle tours, giveaways, refreshments, and more!

Marin Transit staff expects riders and residents alike to take pride in recognizing the many benefits their local public transportation system has to offer, such as providing a convenient and affordable alternative to a second or third family car and lifeline services for seniors, youth, and transit dependent residents.

Marin Transit operates local bus and paratransit services through contracts with Golden Gate Transit and Whistlestop Wheels, as well as contracts with other operators for the West Marin Stagecoach, and three local Community Shuttles. For more information including routes and schedules, please call (415) 499-6099 or visit [www.marintransit.org](http://www.marintransit.org).
